EXPERIENCE

WEB DESIGNER @ SOAREN

MAY 2023 - PRESENT

At Soaren, my responsibilities include maintaining 6 websites and over 350 emails on a regular basis. I design marketing materials such as emails and landing pages and then develop them or send over the necessary assets to the software team.

OWNER @ COMPUTER REPAIR PHX

APRIL 2024 - PRESENT

I provide tech services to customers around Phoenix including: laptop and desktop repair, hardware upgrades, console repair, and cleaning.

WEB DESIGNER + FRONT-END DEV @ O24 SOLUTIONS

MARCH 2022 - APRIL 2023

My role included managing over 80 websites mainly Wordpress with a couple of squarespace sites mixed in. I was in charge of creating new custom designs and seeing the project through to launch, updating and maintaing the sittes afterwards, and handling client edits and concerns. I also managed company servers keeping them up to date and installing new software and modules as needed.

WEB MASTER @ AWP GAMING STUDIOS

OCTOBER 2019 - JANUARY 2023

At AWP, my role includes everything from design and development to IT support.

- Build all company websites from start to finish
- Build merchant websites from start to finish
- Maintain more than 20 websites on a regular basis
- Server/Hosting upkeep
- Troubleshoot employee PC's and equipment

DIGITAL PROMOTIONS DESIGNER @ RWS

NOVEMBER 2016 - OCTOBER 2017

My responsibilities included created promotional landing pages to showcase rebates for appliance, electronic, and mattress brands; as well as, buying groups. I created more than 100 landing pages with accompanied e-mails and Facebook assets.
